## Step one

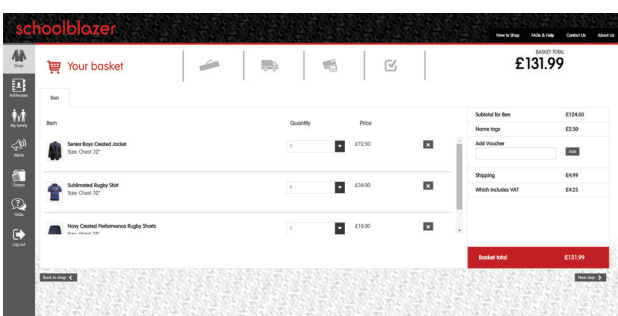

Login at [www.schoolblazer.com](http://www.schoolblazer.com)

## Step three

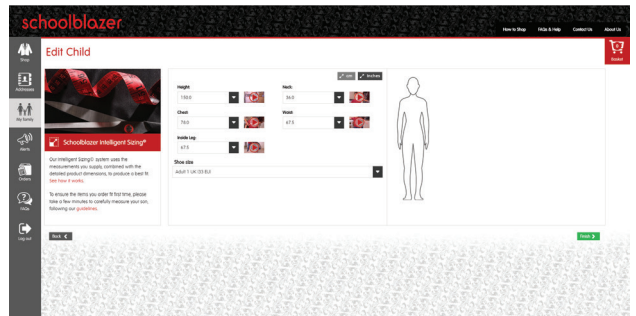

Select the uniform required. The website recognises the School and House and shows only the garments appropriate for your child. No more wading through endless lists!

## Step five

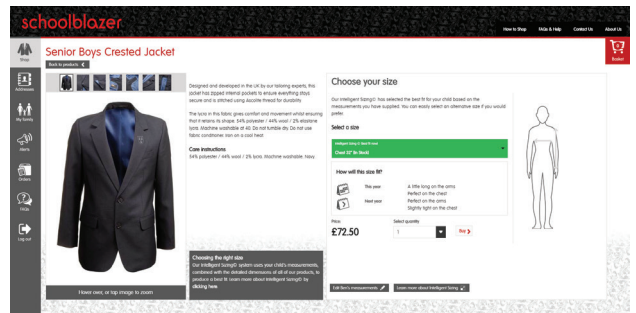

Confirm name-tagging details and delivery address. Orders are dispatched fully name-tagged within 5 working days.

## Step two

Set-up your child's details and input some simple size information.

## Step four

Our unique **intelligent sizing system** recommends the best size garments. We tell you how well they will fit, what the next size up or down will be like and even how they will fit in a year's time.

## Returns

If it doesn't fit, or you change your mind, simply send the garments back to us in the postage paid returns envelope provided.
